# 2011 Symposium and an Ordinary General Meeting of the Japanese Society for Dental Materials and Devices

---

Symposium will be held as follows. This symposium is recognized certification workshop title. Many members are expected to participate.

Date : April 23, 2011 (Saturday)  
General Meeting 13:00–13:50  
Symposium 14:00–16:30

Venue: M&D Tower Auditorium, Tokyo Medical and Dental University

Admission: Free (Only JSAAE Members)

---

## Symposium Program

1. Biological Effects of Nano Materials and their Risk Assessment  
– Activity of Data Search Committee of Dental Materials and Devices on “Risk Assessment of Nanoparticles”–  
Fumio WATARI  
Biomedical/Dental Materials and Engineering, Department of Oral Health Science, Graduate School of Dental Medicine,  
Hokkaido University
2. Current Status and Problems of Each Country to Nanomaterials on Environment, Health, and Safety  
Toshio HONGO  
Graduate Scholl of Medical and Dental Sciences, Tokyo Medical and Dental University
3. Biological Evaluation for Nano Materials – Resin, Tissue Responses, and Dermal Permeability  
Koichi IMAI  
Department of Biomaterials, Osaka Dental University
4. State of the Art on Micro–Nano Metal Particles  
Kenzo ASAOKA  
Department of Dental Engineering, School of Dentistry, The University of Tokushima
5. Risk analysis of nanosize ceramics particles  
Mayumi IJIMA  
Dental Materials Science, Department of Oral Functional Science and Rehabilitation, School of Dentistry, Asahi  
University
6. Toxicity Evaluation of Carbon Nanoparticles  
Motohiro UO  
Department of Biomedical Materials and Engineering, Graduate School of Dental Medicine, Hokkaido University
7. Target Organs and Exposure Assessment – Lung  
Kouichi WATANABE  
Division of Biomaterial Science, Graduate School of Medical and Dental Sciences, Niigata University
8. Risk Assessment of Aerosol and Cutting/Finishing Powder (Fine Particles) Formed in Dentistry < Individual Biological  
Effects / Biological Fine Particles >  
Masayuki TAIRA  
Department of Dental Bio–engineering, School of Dentistry, Iwate Medical University
9. General Discussion
10. Additional Comments from The Search Committee of Dental Materials and Devices on Bisphenol A Used in Dentistry  
After The Spring Conference of The Japanese Society for Dental Materials and Devices in 2010 and Publication of  
Report of the Search Committee of Dental Materials and Devices on Bisphenol A Used in Dentistry  
Toshio HONGO  
Graduate Scholl of Medical and Dental Sciences, Tokyo Medical and Dental University

After the symposium, a reception will be held at a restaurant on campus (about 3,000 yen fee)
